

SUGGESTED FORMS OF CHURCH COUNCIL RESOLUTIONS FOR MATTERS RELATING TO SAME-SEX MARRIAGE

When discussing whether or not to permit a Methodist church building to be used for same-sex marriages, Church Councils should consider three separate resolutions:

1. To register the church building for same-sex marriage ceremonies.
2. To consent to services of blessing for same-sex couples who are already married to take place in the church building, whether or not the Church Council also resolves to register the building for same-sex marriage ceremonies.
3. To nominate the Authorised Person to be appointed by the Registrar to be present at the solemnization of same-sex marriages conducted in the church building.

Suggested wording for each of these resolutions and the possible options associated with them are set out below.

1. Sample resolution to register a Methodist church building for same-sex marriages

NOTES:

*(i) In a situation where a Church Council may be the managing trustees of more than one local church, a **separate resolution is needed for each building for which registration is sought.***

*(ii) Suggested resolution (b) is **optional** if the Church Council wishes to enable the possibility for a special General Registrar's licence to be sought in a case where the marriage would have taken place in the church building but for 'in extremis' circumstances. If the Church Council, following discussion, does not wish to include this extended consent, the wording in (b) should be omitted from the final resolution, meaning suggested resolution (c) will then become resolution (b).*

Resolution 1: The Church Council of [XX] Methodist Church, meeting on [date],

- a) consents to the solemnization of marriages of same-sex couples and resolves to apply to register the building known as [XX] Methodist Church, situated at [insert address], for the solemnization of such marriages under section 43A of the Marriage Act 1949, and
- b) **OPTIONAL (SEE NOTE (i) ABOVE)** [resolves that the consent in (a) above may be extended to cover situations where members of the congregation are unable to marry in the church building (for example due to being housebound, detained or seriously ill and therefore unable to be moved), and]
- c) authorises [named member of the Church Council], being a trustee, to sign and submit to the Superintendent Registrar of the [YY] Registration District the required application and certificate.

2. Sample resolution to consent to services of blessing for same-sex couples who are already married taking place in a Methodist church building

NOTE: This resolution is required if the Church Council is content for blessings of same-sex couples who are already married to take place in its building, whether or not it has adopted suggested Resolution 1 above.

Resolution 2: The Church Council of [XX] Methodist Church, meeting on [date], consents to services of blessing of a marriage of a same-sex couple which has already been solemnized being conducted in the building known as [XX] Methodist Church, situated at [insert address].

3. Sample resolutions to certify the Authorised Person in respect of same-sex marriages

NOTE: The form of resolution will depend upon the various scenarios outlined in the guidance [here](https://www.methodist.org.uk/about-us/the-methodist-church/marriage-and-relationships/guidance-and-resources-for-same-sex-marriage/): <https://www.methodist.org.uk/about-us/the-methodist-church/marriage-and-relationships/guidance-and-resources-for-same-sex-marriage/>
