

Methodist Women in Britain

Following recent restructuring within Methodism, MWiB is to be a new movement due to be launched fully in 2011. MWiB includes and incorporates the Women's Network in the Methodist Church (WN) and the British Unit of the World Federation of Methodist and Uniting Church Women (British Unit, WFMUCW) and aims to go beyond both!

- The aim of Methodist Women in Britain (MWiB) is to know Christ and make him known, encouraging, enabling and equipping women to participate fully in the life of the Church and in society, supporting the Church to become truly the whole people of God.
- MWiB encourages women to develop creative Christian spirituality and practical social action in a global context.

Our activities in Britain are informed by belonging to God's people world-wide. We see ourselves as part of an international movement of faith, compassion and hope; growing in love for God, our neighbours and ourselves as we connect with the concerns of Christian women overseas. In this way, we equip women for mission, recognizing and linking gifts and needs. We aim to operate in a manner that is flexible, vibrant, transparent, creative and participative.
