Dear Miss Eade

**WESLEY COLLEGE, CAMBRIDGE (311446)**

Thank you for your email dated 21 June outlining the proposed amendments to the trusts of the Charity.

I understand that the trustees feel that a cy pres scheme is required because they cannot rely on their power to amend the trusts (clause 15).

I have considered the proposed new objects and the current power of amendment clause. Our view is that the trustees would be able to use their power of amendment to adopt the new objects. This is because the proposed new objects do not prevent "the education in theology and the pastoral office of students for the ministry of the Wesleyan Methodist Church or of any body with which it may hereafter be united as aforesaid within the precincts of the University of Cambridge." They are therefore still consistent with a purpose conducive to the original objects.

I confirm we have no objections to the alterations as set out in the draft proposals in your email and wish the trustees well in their consultation process.

Yours sincerely,

*Sue*
