

## Walking with Micah: What do I feedback?

**Thank you for organising a Justice Conversation as part of the Walking with Micah project.**

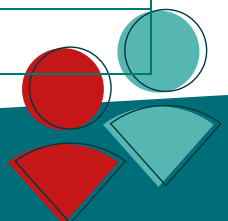

The Justice Conversations will help churches to think about justice issues faced by our society and world, and feedback the results of those conversations to the project. This information will help shape the justice work of the Methodist Church over the coming years.

After the session, please go to the e-survey at [www.methodist.org.uk/walking-with-micah-send-your-response/#e-survey](http://www.methodist.org.uk/walking-with-micah-send-your-response/#e-survey) to fill in your group's responses.

**This form tells you about the questions you will be asked in the survey. You could print it out in advance of your session so that you, or a nominated note-taker, can make notes during the Conversation.**
