

Matters arising

Matters Outstanding		Action
January 2017		
17.1.13	The Council directed the Connexional Team to develop, for detailed consideration by the Council, a programme of identification, encouragement and mentoring for potential candidates for appointment as a District Chair, bearing in mind the need to increase gender and ethnic diversity among the District Chairs.	<i>Work is now underway</i>
October 2018		
18.3.9	The Council discussed possible options in relation to the Connexional Priority Fund levy and replacement projects, and proposals will be brought to a future meeting of the Council.	<i>The work is underway.</i>
January 2019		
19.1.8	The Council commissioned research into the implementation of the Interim Supervision Policy, and expects to receive a report and recommendations on the basis of this research by January 2021.	

*****RESOLUTION**

48/1. The Council receives the report.
