

63. Report of the Conference Financial Committee

The Conference Financial Committee (CFC) is charged under SO 136A to bring any relevant matters to the attention of the Conference.

It notes that the Conference report 24 'Connexional Central Services Budget 2017/18 – District Allocations' provides two options, depending on the outcome of the proposal by the Connexional Allowances Committee (CAC). The adoption of NoM 2017/101 by the Conference directs the CAC to work with the Connexional Treasurers to identify the source of grants beyond 2018. The CFC does not believe it appropriate to pre-judge the outcome of this work, so recommends it would be prudent that the Conference should be asked to adopt Option A of the District Allocations, which include the continuing collection of the Computer Levy in 2017/18.

63/1. The Conference received the Report.
