

DALE

Well, hi there, dear people!

DOLLY

Yes, hello and welcome to the Dolly and Dale Show on HSBBC.

DALE

The Holy Shopping for Bible Believers Channel.

DOLLY

I'm Dolly.

DALE

And I'm Dale.

DOLLY

And bless you all...

DALE & DOLLY

For being a blessing.

DOLLY

Today, we're here to tell you how excited we are about Biblefresh!

DALE

Because it's inspired us, dear friends, to create a whole new range of wonderful merchandise.

DOLLY

Specially for Bible believers!

DALE

Which means more great resources for you... First up is the brand-new Biblefresh Bible Container.

DOLLY

(producing it with a flourish)  
Lovingly crafted exclusively for us by the Tupperware Corporation. In a choice of tasteful colours, each with a true Biblical significance.

DALE

Here's how it works. Dolly, will you demonstrate this beautiful accessory for our friends at home?

DOLLY

(opening the lid)

Of course. Look - the hygienic container  
keeps all the holiness sealed in...

DALE

And the worldliness sealed out.

DOLLY

Did you hear that little 'sshh' sound as the  
Container opened?

DALE

Sssh - stands for shekinah glory! Keeps your  
Bible clean as clean.

DOLLY

Who wants a soiled Scripture? Who wants a  
grimy Gospel?

DALE

Who wants a tatty Testament? But now, it's  
so easy to keep your Bible fresh... Dolly?

DOLLY

Once you replace the lid, like this, then - as  
you see - your Bible is hermetically sealed...

DALE

Or should we say, hermeneutically sealed?  
Just my little joke for you Bible scholars...

DOLLY

And you can relax, knowing that your Holy  
Book will remain spotless and without  
blemish.

DALE

Great for those who live in conditions of high  
humidity, like missionaries in Africa.

DOLLY

Ideal for parents at home with sticky fingered  
toddlers...

DALE

And perfect for people who only read the  
Bible once in a blue moon.

DOLLY

It can be so embarrassing when the minister visits your home and sees the Bible on your bookshelf...

DALE

All covered in dust and cobwebs. Remember when that happened to us, Dolly?

DOLLY

How could I ever forget it, Dale?

DALE

Well, you can rest assured that your treasured testaments will never get dusty again, with the brand-new...

DOLLY

Patented and trade-marked...

DALE

Surprisingly affordable...

DOLLY

Contemporary and stylish...

DALE

And totally unnecessary...

DOLLY

Biblefresh Bible Container!

DALE

Thank you and goodnight.
