**The Methodist Church recognises that there will be a wide theological spectrum represented through the children and young people who attend the event and therefore this will need to be recognised by all those involved in facilitating over the weekend. It is possible that some of the views held by the children and young people may be at difference with your own views and we would ask that you respond to theological views sensitively and respectfully, ensuring that the range of views within any discussions are equally heard (whether programmed sessions or informal).**
