

Timeline for volunteers

3GENERATE
CHILDREN & YOUTH ASSEMBLY

to equip, to enable, to encourage

March-April

NOW – DON'T DELAY!

Please volunteer by sending us an email to 3Genvols@methodistchurch.org.uk
Let us know who you are and any preference you may have for your role. We will be in contact.

May

Make sure you have returned your postcards in response to the children and young people's **Manifesto**.

June

Now is the time to be alert for news about this year's 3Generate, and to share stories from previous years to excite people and inspire them to get involved!

July

If you haven't already done so, get your volunteer application in now, and encourage others from your church and district to consider one of the many volunteering options for **3Generate**.

August

There is still time to apply to volunteer at **3Generate**, and we'd love to have you on board! Even if you are not able to volunteer, you can help by spreading the word about **3Generate** and getting your local community of faith engaged and excited.

September

Volunteer vacancies are about to close, so if you haven't applied, now is your very last chance! Now is also the time to be engaging with your local

communities of faith and listening to the hopes of your children and young people.

October

Please pray, and encourage those you know to pray, as final preparations for **3Generate** get underway.

November

3Generate is here... time to get stuck in, be present, prayerfully encourage and enjoy a weekend brimming with fun, friendship and faith!

December

Welcome to the calm after the storm, and thank you. Thank you for your time, talents and gifts, for your commitment, honesty and encouragement. Please share your journey, your experience and your memories, and know the difference you have made to the children and young people. This is also the time to feedback and evaluate your experience of this year's **3Generate** event.

January

Now is the time to continue the work of **3Generate** in your local context, using the **3Generate** local pack, and encouraging children and young people to play a part in their next event. It's time to encourage your children and young people to share their ideas for next year's **3Generate** and to register your group as a Shaper Group... find out more at 3generate.org.uk. This is also the perfect chance to let us know if you or your group has any special skills or talents that you would like to share... we can then try to accommodate this in the programme as it is shaped by wonderful children and young people.
