

## You call us

1. You call us, as you called the Twelve,  
 To walk with you the narrow way.  
 From every background, here we stand,  
 Your raggle-taggle pilgrim band,  
 From travelled years or early days,  
 Through failings, new starts, hopes, delays;  
 Be with us as we sing your praise  
 And walk with us, we pray.

2. You call us, as you called the crowd,  
 To take our cross and follow you,  
 To leave security behind  
 and come, with open heart and mind;  
 And hearts are filled, though sometimes bruised,  
 and minds enriched, intrigued, confused,  
 while, patient, loving, kind, amused,  
 You walk with us today.

3. You call us, as you called your friends  
 To spread your Gospel in the world.  
 As we move out beyond this place,  
 Grant us the courage and the grace  
 To speak your word in all we do,  
 And witness faithfully to you.  
 So keep us ever close and true  
 And walk with us always.
