LEP MEMBERSHIP (if applicable)

¹ In previous years, joint or ecumenical members had NOT been counted as being part of the Methodist membership figure, but they are now INCLUDED. For example: If a Methodist-Anglican LEP has 25 Methodist members, 25 Anglican members, 25 joint Methodist-Anglican members and 25 ecumenical members, then the numbers that should be recorded are Total Membership 100, **Methodist membership 75** [under the old counting system, the Methodist membership number would have been 25].

SECTION 2: ATTENDANCE

ATTENDANCE AT WORSHIP

Estimated average attendance (all ages) at a main worship service during the previous year.	
---	--

- For **multi-site churches**, add together attendance across each separate church site.
- For **Single Congregation LEPs**, count total attendance (all denominations and none) across all sites to which the LEP relates.
- No distinction between Sunday and mid-week, or adults and children, is required.

Please note that membership and attendance data must be recorded in the Statistics for Mission section of the Methodist Online Suite of Applications (<https://online.methodist.org.uk>) by **31 January 2020**.
