1. Streets are filled with many people, voices raised in every tongue,
Bring first-fruits of their harvest, gift to God from old and young.
In the midst of celebration, comes a new unsettling sound:
A cacophony of praising, Word alive, Spirit unbound!

*Chorus: God is here, speaking our language, speaking as we do,
Christ alive, here in Spirit, and turns the tables, upsets conventions,
Brings a new church to birth, today a living Pentecost.*

2. Mighty wind blows through the city, sweeps a new age into birth,
Holy fire to burn the boundaries, and ignite God's work on earth.
Aramaic, Persian, Coptic, Parthian, Arabic and Greek,
Heard and understood and spoken, God in multi-lingual speak! *God is here*
3. Wake up call to every nation, chaos melts, new paths made plain,
Harvest now for new creation, these the first-fruits of Christ's reign.
We, God's Church arise for action, move in faith to break new ground,
Spirit, take us to the margins where your living work is found. *God is here*
