

The **Easter Offering 2021** dedication service, *Into All The World*, features people who have made a journey: some in obedience to God's call on their lives, and others because they had no choice. The worship will encourage us to reflect and learn from those who travel and to consider our own journeys – both physical and spiritual.

Into All The World provides an opportunity for churches, circuits and districts to gather and celebrate God's mission activity in the wider world. It includes the dedication of the Easter Offering, all of which goes to the World Mission Fund of the Methodist Church in Britain, supporting and working with our 65 Partner Churches around the world.

Available for download from January 2021, the service materials include a full PowerPoint presentation with photos accompanying each featured person's journey. Leader's Notes give valuable guidance to assist local organisers in the preparation of the service.
