## WORSHIP: LEADING & PREACHING IN A YEAR

The Worship: Leading & Preaching in a Year programme is designed specifically for those wishing to become Local Preachers in the Methodist Church. The scheme allows students to complete the 'Explore' sessions of all eight modules of the WLP course in a structured way within one year. This is based around two residential weekends and one residential week (the WLP Summer School) at Cliff College. This is supplemented by two online Zoom weekends and one online Zoom week (shared with WLP Explore Online).

Between these times together, students engage with the extensive online self-study resources. Students need the active support of their local circuit, including a local tutor and mentor, and the required opportunities to preach and lead worship whilst on note and on trial.

Residential schools are at Cliff College in the heart of the beautiful Peak District. Students will need to attend all the following dates:

- 8-10 October 2021 – Induction weekend & Module 1 (residential)
- 26-28 November 2021 – Module 2 (online via Zoom)
- 17-21 January 2022 – Modules 3 & 4 (online via Zoom)
- 6-8 May 2022 – Module 5 & Review weekend (residential)
- 17-19 June 2022 – Module 6 (online via Zoom)
- 1-5 August 2022 – Modules 7 & 8 (WLP Summer School – residential)

'A great opportunity to study alongside others and be encouraged in your journey to becoming a Methodist Local Preacher. As one myself, I know the privilege of the role, and encourage you to join the WLP in a Year training journey.'

- **Ian White, Senior Tutor & Short Course Programme Leader, Cliff College.**
