2/17/2 **Reginald Charles Edmonds:** Born on 20 December 1928 in London, spending his early life there and in Kent. Reg felt called to the Methodist ministry in his twenties, studying at Hartley Victoria College in Manchester and following graduation moving to St Andrew's College, Selly Oak to train with the Methodist Missionary Society. Here he met Mary who was also in training and after a whirlwind engagement they married and were stationed in Nigeria together. Reg worked at Oron Boys High School teaching Religious Education and English Literature while also being the chaplain. They moved after four years to Oyubia where Reg started his first appointment as a minister with oversight of 51 churches scattered over a wide area and involving many eventful journeys, even resorting to travelling by canoe in the rainy season. During this time, Reg and Mary's three daughters, Jan, Gwen and Sue were born. With war looming in Biafra, Reg and family returned to Britain where Reg served in the following Circuits: Callington and Gunnislake, Exeter, Ipswich, London (Leytonstone and Forest Gate), and finally South Essex. He immersed himself in serving his congregations and local communities. He always worked ecumenically and related well to young people in both Church activities and schools, bringing many to faith. Reg also served on the Connexional Committee, Overseas Division. His special interests included the healing ministry and New Testament study, and he loved cricket, walking, reading and gardening. He and Mary moved to Bramford near Ipswich following his retirement but sadly Mary died soon after the move. They had shared the work of ministry and he felt her loss greatly. He met up again with Jill, a missionary friend they had known in Nigeria and he and Jill married, sharing a happy retirement together. Reg became the chaplain of Norwood MHA home in Ipswich and enjoyed an active part in the life of Bramford Church and the Ipswich Circuit. After several years of living with dementia, Reg died on 26 January 2019 in the ninety-first year of his age and the sixty-fifth year of his ministry.

Victor Edward Vine: Born in Tottenham on 17 July 1926, moving to Staines and then Hayes, Middlesex. An only child, his father encouraged a love of woodwork, his mother attendance at the Queen’s Hall, Hayes, Sunday School, where Victor gained “the sense of God as ever present in loving challenge”. He met Freda in the Youth Club, and trained for local preaching at 16. Eventually he overcame a childhood speech difficulty, shaping perhaps his careful mastery of words. War disrupted schooling, but night-school followed, and promotion from office boy to basic accountancy. Called up in 1944, Victor was posted to Poona in India as a blood transfusion orderly, gaining, through army life and positive impressions of Indian Christians, a sense of how other people might think and feel. Promoted to sergeant and having candidated, Victor returned for ministerial training at Handsworth College in February 1948. Stationed in 1950 and marrying Freda in 1952, he served in the following Circuits: Banbury, Selby, Liverpool (North-East), Worsley, Devon and Dorset Mission, Okehampton, Romford, Teddington, and Exeter. He was a District Youth secretary, member of the Connexional Education and Youth committee, and a Superintendent minister. Moving to support elderly parents, Victor and their daughter Frances suffered the painful loss of Freda to cancer. Dedicated to circuit ministry, Victor continued to be appreciated for his pastoral listening, practical support, clear-sighted advice and equanimity. He married Anne in 1974, delighting in their children Beth and Andy, and in his grandson, Frances’ son. Endearingly in each manse, Victor used two wartime phones to communicate between floors; carefully ordered papers and possessions; and meticulously kept financial records, including as Exeter YMCA treasurer after retirement in 1992. Moving to Cheltenham near Beth in 2008, two further grandsons and Anne’s care kept him young, making and playing. His sharp, enquiring, theological mind found expression in an ecumenical forum; Spectrum; and preaching until 90. Thereafter, his writing ministry continued through articles and letters, living out that Christ “shall have my life, my all”. He died on 10 April 2019, in the ninety-third year of his age and seventieth year of his ministry.

2/18 The Conference adjourned at 12.39.

The Conference adopted Resolution 2/1.

3/14 **SECOND REPORT OF THE CONFERENCE BUSINESS COMMITTEE**

3/14/1 The Business Committee brings this update to its Report printed in volume 1 of the Agenda (item 2, page 22).

1. Further to paragraph 1 of the report, The Revd Eleanor G Jackson is unable to attend the Conference, and the chair of the Council has appointed Deacon Angela Shereni to take her place under the terms of SO 136(1C).
2. As set out in paragraph 8 of that report (page 26), the Conference is required to elect two members of the Business Committee, one minister and one lay person, to serve on the Committee for three years (the Conferences of 2020, 2021 and 2022). Nomination forms are available from the Helpdesk and should be placed in the ballot boxes by 14:00 on Tuesday 2 July, with voting taking place on Wednesday 3 July.
3. Nomination forms for Conference-elected representatives are available from the Helpdesk. This year, of the three Conference-elected representatives to serve from 2020-2022, two will be presbyteral and one will be lay, thus fulfilling SO 103(2A). Nominations must be submitted by 14:00 on Tuesday 2 July, with voting taking place on Wednesday 3 July.
4. The schedule of business has been available on the Conference website and regularly updated. It now shows the current situation. Any Conference member wishing to have a hard copy can obtain one from the Helpdesk. It might help members of the Conference to know that it is not the intention for any votes to be taken in relation to Agenda Item 10 (God in Love Unites us: the report of the Marriage and Relationships Task Group) until Wednesday. This means that the deadline for notices of motion which seek to amend the report or its resolutions will be Monday at 4:30pm.
5. The Conference is advised that, in the event of a counted vote on Saturday, the count will be conducted by the scrutineers who are presbyters and the Chair of the Conference Business Committee. Normal scrutineering arrangements will begin on Monday morning.
6. Nominees for President and Vice-President of the Conference for 2020 and as Conference-elected representatives 2020-2022 are kindly asked to have their photographs taken, for use in the visual projection during breaks. Would they please see June Howard-Norman in the Conference Arrangements Team office as soon as possible and no later than the respective closing times for nominations given in the Agenda page 27. *[as corrected by 5/16/3]* In the event that nominees are not present at the Conference, it would be most helpful if those making the nominations could arrange for nominees' photos to be sent electronically to asc@methodistchurch.org.uk.

7. There are two ballot boxes on each side of the hall. These can all be used at any time on Saturday until 19:00 and from Monday morning onwards for all nomination papers and for all completed ballot papers, strictly observing the deadlines given on page 27 of the Agenda. Please do not place your envelope with your completed Trustee Declaration Form and Register of Interest form in these boxes; they should be deposited in the box by the Helpdesk.
8. All Memorials will either be taken with existing business to which they relate or placed in *en bloc* as shown in the table below [*list not included in the Record*]. Any recommended reply to a Memorial which is the subject of an amending notice of motion will automatically be removed from the *en bloc* list.
9. The list of *en bloc* items of business (page 28) has since been updated and is as printed below [*list not included in the Record*]. Under the terms of SO 134A, if Notices of Motion are received about items in the *en bloc* list (including Memorials), those items will automatically be removed from the above list. In addition, by giving notice to the Assistant Secretary of the Conference, any six members of the Conference may, without proposing an amendment, require that an item be removed from the list and debated. Such notice must be given before the close of business on Monday 1 July (SO 134A(1)(c)).

- 5/2/1 Ms Rachel Collins and Mr Stephen Cooper were appointed to attest the Daily Record and related documents.
- 5/2/2 The Revd Philip J Jackson and Mrs Heather Lovelady were appointed to attest the Journal and related documents.
- 5/3 **ADDITIONAL AGENDA ITEM 46: APPOINTMENT OF THE SECRETARY AND ASSISTANT SECRETARY OF THE CONFERENCE FOR 2019/2020**
- Under the terms of SO 313, the Council nominates to the Conference the following appointments for the year 2019/2020. This will enable the Council to oversee a process of discernment during the ensuing connexional year, and to bring nominations for new appointments to the 2020 Conference.
- 5/3/1 **Secretary of the Conference: The Revd Dr Jonathan R Hustler**
- Jonathan Hustler has served as Assistant Secretary of the Conference since 1 September 2017 and has been stationed by the President as Secretary until 31 August 2019.
- Jonathan brings a wide experience of circuit ministry, gained over a period of 20 years in the Leighton Buzzard and Stewkley Circuit, the Redcar, Saltburn and Guisborough Circuit and as superintendent of the Horncastle and Bardney Circuit. From 2011-14, he served as Vice-Principal of Wesley House, and from 2014-2017 as Ministerial Coordinator for the Oversight of Ordained Ministries in the Connexional Team.
- Jonathan combines an eye for detail with an awareness of the breadth of the whole Connexion and its needs, and brings to the role of Secretary a reflective, informed, faithful and compassionate style of ministry along with an ability to deal with difficult and complex matters with care and graciousness.
- 5/3/2 The Conference adopted as Resolution 46/1:
- The Conference appoints The Revd Dr Jonathan R Hustler as Secretary of the Conference for the connexional year 2019/2020.
- 5/3/3 **Assistant Secretary of the Conference: The Revd Ruth M Gee**
- Ruth Gee is the Connexional Ecumenical Officer having been appointed to that role from 1 September 2018 and has been stationed by the President as Assistant Secretary until 31 August 2019.
- Prior to that, Ruth Gee was a circuit minister in Halifax and Bradford and Chair of the Darlington District from 2008. She was President of the Conference 2013/14. As Chair of the Methodist Council between 2015 and 2018, Ruth gained experience of a wide range of issues and a grasp of the detail required which enabled her to present the Council's business to the Conference knowledgeably and ably.

Ruth brings to the role of Assistant Secretary a broad experience of the connexional life of the Church and a commitment to serve the Conference with care and grace.

5/3/4 The Conference adopted as Resolution 46/2:

The Conference appoints The Revd Ruth M Gee as Assistant Secretary of the Conference for the connexional year 2019/2020.

5/5/3 The Conference adopted Resolution 3/2.

5/5/4 The Conference adopted Resolution 3/3,

p 33, *inserting* after the last paragraph of Section C:

Legal advice obtained on the proposed legal documentation for the loan arrangement has advised that the Methodist Church in Great Britain as a charity may need to accept the loan or loans rather than the Methodist Council as a managing trustee body. Whilst Standing Order 211(1) provides a general delegation for the Council to act on behalf of the Conference between meetings, the legal advice is that a specific resolution authorising the Council is required. Such authorisation will delegate to the Council responsibility for and the power to negotiate and agree the value of any such loan or loans from the Central Finance Board and to agree the terms of any legal agreement or legal agreement in respect of such loans on behalf of the members of the Conference as the charity trustees of the Methodist Church in Great Britain. Any legal agreement would be signed by two members of the Methodist Conference as charity trustees on behalf of all members of the Conference.

5/5/5 The Conference adopted as Resolution 3/3A:

The Conference authorises the Methodist Council to negotiate and agree the amount or value and terms of a loan or loans to the Methodist Church in Great Britain by the Central Finance Board.

- 5/7 **REPORT OF THE LAW AND POLITY CONFERENCE SUB-COMMITTEE**
- 5/7/1 **Additional Item: Methodist Independent Schools – Legal Structures**
 The Law and Polity Conference Sub-Committee has noted that the Conference in 2017 adopted a report from the Methodist Independent Schools Trust to amend the legal structures in respect of the holding of the independent school property. The Methodist Independent Education Trust 1903 was amended to replace the individual holding trustees with a Property Company to be the trustee of the Trust. The amended Trust deed provided for the President of the Conference appointing three individuals as the protectors of the Trust who would oversee the rights of the Conference in respect of these trusts. However the President of the Conference can only appoint the three individuals in pursuance of a resolution of the Conference. In light of names for the individuals not having yet been proposed, it is suggested that the Conference delegate the power to appoint up to three individuals to the Methodist Council for the Connexional year 2019-2020.
- 5/7/2 The Conference adopted as Resolution LP/1:
 The Conference pursuant to clause 7 of the Methodist Independent Education Trust 1903 (as amended) directs the President to appoint three individuals to serve as Protectors of the Trusts therein declared.

at 3/15, *replacing* the text below the heading with:

5/17 **31. COMMITTEE ON METHODIST LAW AND POLITY (2), SECTION E**

5/17/1 The Conference adopted Resolution 31/1,

p 335, line 9, *for* 'Section 11A' *reading* 'Section 10A',

and *receiving* the following additional report:

Members of the Conference will have observed that paragraph 5 of the Committee's report refers to the potential for conflicts of interest in relation to the proposed amendments to the Model Trusts and Deed of Union and explains that the Law and Polity Conference Sub-Committee will bring a report to the Conference on the point.

The sub-committee reports that it is an established principle of law that a person in a fiduciary position is not in breach of fiduciary duty if the trust instrument expressly authorises the conflict (as the proposed amendments do) or if it impliedly does so. The Conference has previously acted on the footing that by analogy with that principle, the Deed of Union and the Model Trusts impliedly authorise members of the Conference to vote on Conference business in situations in which a very large number of members of the Conference would face an actual or potential conflict, since otherwise the business of the Conference could not effectively be transacted. Business relating to the Methodist Ministers' Pension Scheme is an obvious example of such business, since ministerial members of the Conference are in general members of the Scheme and the lay members are in general members in circuits which pay contributions to the Scheme.

In relation to the present business, the sub-committee has considered whether the potential conflicts could be managed by restricting voting on the amendment to paragraph 2(2) of the Model Trusts to ministerial members of the Conference and voting on the amendment to paragraph 2(3) to the lay members. This solution would, however, be highly artificial and would not assist with the proposed amendment to the Deed of Union. Further, it would not take account of the potential for conflicts arising from the possibility that

the amendments would benefit a connected person of a member of the Conference. In those circumstances, the advice of the sub-committee is that members of the Conference in general are impliedly authorised to vote on the business despite the potential for conflicts of interest. Any member who is aware of a particular conflict should declare it privately to the Conference Officer for Legal and Constitutional Practice and should not vote on the business.

Members of the Conference will also note that paragraph 6 of the report recommends that the resolutions are submitted to the Methodist Council for approval. This requires a direction of the Conference and the appropriate resolution is set below. It should also be noted that SO 126(1)(a) already provides for submission to the Channel Islands, the Isle of Man and the Scotland and Shetland Synods.

5/17/2 The Conference adopted, with the required majority, Resolution 31/2,
[Special Resolution – see 31/2A below regarding consultation]

in the wording of the Resolution, *for* ‘section 11A’ *reading* ‘section 10A’

5/17/3 The Conference adopted as Resolution 31/2A:

The Conference, after considering the advice of the Law and Polity Conference Sub-Committee, directs that consultation on Resolution 31/2 shall be with the Methodist Council in accordance with Standing Order 126(1)(c).

Reasoned Statement: The Revd Dr Nicola V Price-Tebbutt

Nicola Price-Tebbutt has served as Secretary of the Faith and Order Committee since 1 September 2013. The Reinvitation Committee received very positive feedback in the process of reviewing Dr Price-Tebbutt's appointment, including regarding her abilities as a theologian and communicator, how she enables the work of the Committee and its contribution to the wider Connexion and how she represents Methodism ecumenically. The Faith and Order Committee has benefited from Dr Price-Tebbutt's appointment thus far, and an extension would allow continuity for the development of its work within the church more generally.

6/18/10 The Conference adopted as Resolution 20/28:

Under Standing Order 313(1), the Conference appoints The Revd Dr Nicola V Price-Tebbutt as Secretary of the Faith and Order Committee for a further period of five years from 1 September 2019.

7/8 **10. GOD IN LOVE UNITES US: THE REPORT OF THE MARRIAGE AND RELATIONSHIPS TASK GROUP 2019 (continued)**

7/8/1 The Conference adopted Resolution 10/1.

7/8/2 **SECOND REPORT OF THE FAITH AND ORDER COMMITTEE**

The Faith and Order Committee's response to the Resolutions of the report of the Marriage and Relationships Task Group 2019

1. Under Standing Order 330(10) the Faith and Order Committee has an obligation to scrutinise all matters directly concerning the faith or order of the Church presented to the Conference. It has not yet had an opportunity to discuss the content of the report of the Marriage and Relationships Task Group, but notes that the report is not intended to be a draft Statement of the Conference, nor is the Conference being asked to adopt its contents. The Committee will therefore undertake the scrutiny work before the 2020 Conference.
2. The Committee has given attention to the Resolutions relating to that report to identify whether there are any matters concerning the faith and order of the Church which need to be brought to the attention of the 2019 Conference. The Committee has identified three such matters and proposes amendments

to the relevant Resolutions so that the Conference has a means of addressing the questions raised if it so wishes.

3. The Provision of Liturgical Resources

- 3.1. The Committee notes that Resolution 10/4 directs the Methodist Council to take primary responsibility for producing resources for the celebration of civil partnerships, but that the resources referred to in paragraph 5.4.1 of the report are liturgical resources. The production of liturgical resources would usually be the responsibility of the Faith and Order Committee and it appoints a Liturgy and Worship Sub-Committee under S0330(2) to assist it in this task.
- 3.2. If the Resolutions of the report of the Marriage and Relationships Task Group are adopted by the 2020 Conference then it will be possible for two people of the same sex to marry in a Methodist place of worship which is registered for that purpose. Some consideration will need to be given as to whether an additional marriage service will be needed for the marriage of two people of the same sex, and whether any amendments will need to be made to the *Methodist Worship Book*.
- 3.3. The amendments to Resolution 10/4 broaden the Resolution to ensure that the Faith and Order Committee considers what liturgical resources might be needed in the light of the report and prepares any draft liturgies and amendments to the *Methodist Worship Book* so that they are ready for consideration at the 2020 Conference if required.
- 3.4. The Faith and Order Committee therefore recommends that Resolution 10/4 of the report of the Marriage and Relationships Task Group is amended as follows:
10/4. The Conference directs the Faith and Order Committee to review the provision of liturgical resources in the light of this report, including the question of whether there should be one marriage service or two in the *Methodist Worship Book*, the preparation of a draft service of celebration for civil partnerships, and the preparation of any other draft liturgical resources that may be required. The Conference further directs the Faith and Order Committee to report to the 2020 Conference, on the understanding that the bringing of any draft liturgies and proposed amendments to the *Methodist Worship Book* for approval by the Conference would depend upon the results of consultation on the resolutions of the 2019 Conference and any resolutions of the 2020 Conference that result from it.

4. Liturgical Resources for the Ending of a Marriage

- 4.1. Resolution 10/5 asks the Conference to adopt the recommendation that liturgical texts be produced and commended for use at the ending of a marriage, describing such texts as a “service” (paragraph 3.2.6). The Faith and Order Committee would wish to affirm that support for those experiencing the breakdown of a relationship includes both pastoral and prayerful support and that it may sometimes be appropriate for there to be a more formal liturgical act. It does, however, have significant theological and pastoral concerns as the production of official resources assumes a number of things.

4.2. Some of the concerns are as follows:

- a. Very different circumstances lead to divorce. Official liturgical resources cannot begin to give space for the complexity and variety of pastoral situations that arise at the breakdown of a relationship, and people may need different kinds of liturgies at different times.
- b. The Church has a pastoral responsibility to all parties involved, including any children. All parties may have very different timescales in adjusting to a new situation and are likely to be in different places emotionally, psychologically and spiritually. It cannot be assumed that the two people most directly involved are at the same point in their journey of 'moving on'.
- c. Official resources embody and express the Church's theological understanding. Whilst the Methodist Church has rich theological resources to draw on in supporting people at the ending of a relationship, the theological implications of such a liturgy are varied including, for example, questions about forgiveness especially in situations of domestic violence and abuse.
- d. There are questions about how the Church responds if one person does not wish to take part in such a liturgical action, including what the liturgical action may then symbolise to both parties, others involved and the wider community; whether the Church may potentially collude in being seen to 'side' with either party; and the potential for abuse and manipulation if one party is keen to 'move on' and there are complex power dynamics involved.
- e. Methodist worship is varied and flexible, and all ministers are trained and equipped for leading worship and for offering pastoral care. Ministers can work with those involved to determine what kind of service might be appropriate, and they can draw on a variety of traditions and resources in order to offer a liturgy that is pastorally focused.

4.3. The Faith and Order Committee therefore recommends that the focus is on making more widely available a range of liturgical resources that might be used at the ending of a relationships to support those who are pastorally and liturgically seeking to care for all affected. It therefore proposes amending resolution 10/5 of the report of the Marriage and Relationships Task Group as follows:

10/5. The Conference directs the Faith and Order Committee to produce a list of a range of liturgical resources for use at the ending of a marriage and to make this available via the Methodist Church website.

5. **Standing Order 011A Marriage**

- 5.1. The Faith and Order Committee has given attention to the question of whether the proposed amendment to Standing Order 011A makes sufficient theological provision for the contradictory convictions which it intends to hold together. For some the change of wording to "two people" represents a change in understanding. The Committee therefore recommends expanding the suggested revision to SO 011A in order to make it clear that the Methodist Church holds the contradictory convictions within its theology.

5.2. It therefore proposes amending the first paragraph of resolution 10/9 of the report of the Marriage and Relationships Task Group as follows:

011A Marriage

(1) “The Methodist Church believes that marriage ~~is a gift of God and that it is God’s intention that a marriage should be~~ **is given by God to be a particular channel of God’s grace, and that it is in accord with God’s purposes when a marriage is** a life-long union in body, mind and spirit of ~~one man and one woman~~ **two people who freely enter it. Within the Methodist Church this is understood in two ways: that marriage can only be between a man and a woman; that marriage can be between any two people. The Methodist Church affirms both understandings and makes provision in its Standing Orders for them.**

7/8/3 The Conference adopted as Resolution FO/1:

The Conference receives the Report.

7/8/4 The Conference adopted Resolutions 10/2 and 10/3.

7/8/5 The Conference adopted Resolution 10/4 in the form:

The Conference further directs the Faith and Order Committee to report to the 2020 Conference, on the understanding that the bringing of any draft liturgies and proposed amendments to the *Methodist Worship Book* for approval by the Conference would depend upon the results of consultation on the resolutions of the 2019 Conference and any resolutions of the 2020 Conference that result from it.

7/11/2 The Conference adopted as Resolution 10/8A:

For the purposes of section 26A of the Marriage Act 1949 (as inserted by section 4(1) of the Marriage (Same Sex Couples) Act 2013) the Conference consents to the marriage of same sex couples and accordingly authorises the

managing trustees or, if none, the trustees, of any Methodist building in England and Wales capable of registration under section 43A of the Marriage Act 1949 (as amended by paragraph 1 of Schedule 1 to the Marriage (Same Sex Couples) Act 2013) to register that building under that section.

7/11/3 The Conference adopted as Resolution 10/8B:

For the purposes of the Marriage (Scotland) Act 1977 as amended by the Marriage and Civil Partnership (Scotland) Act 2014, the Conference resolves that Methodist ministers, probationers or members may be nominated by the Methodist Church in Scotland to the Registrar General in Scotland to be registered to solemnise same sex marriage and that same-sex marriages may be solemnised on Methodist premises in Scotland if the managing trustees so permit and all other relevant legal requirements have been satisfied.

7/14 **10. GOD IN LOVE UNITES US: THE REPORT OF THE MARRIAGE AND RELATIONSHIPS TASK GROUP 2019 (continued)**

7/14/1 **Notice of Motion 2019/213: Other Churches and Marriage and Relationships**

The Conference, recognising the challenges presented by 'God in Love Unites Us' to some of those who serve as Ministers of other Conferences and Churches in our Connexion,

- a. directs that the Global Relationships Committee engage in conversation with those partner churches who have permitted ministers to serve as recognised and regarded as being in Full Connexion with the Conference about the expectations on ministers and the provisions made for ministers to act only within their conscience contained in the report;
- b. makes clear that reasons of conscience permit a minister of another Conference or Church to decline to act in a way that means that she or he can no longer be in good standing with her or his own church.

The Conference adopted the Motion.

7/14/2 Ms Ruth Hall and Mrs Ann P Leck reflected on the experience of serving on the Marriage and Relationships Task Group. The President thanked the Task Group on behalf of the Conference.

7/14/3 The Conference adopted Resolution 10/9 in the form:

The Conference amends Standing Orders as follows:

011A Marriage (1) The Methodist Church believes that marriage is a gift of God and that it is God's intention that a marriage should be *is given by God to be a particular channel of God's grace, and that it is in accord with God's*

purposes when a marriage is a life-long union in body, mind and spirit of one man and one woman two people who freely enter it. Within the Methodist Church this is understood in two ways: that marriage can only be between a man and a woman; that marriage can be between any two people. The Methodist Church affirms both understandings and makes provision in its Standing Orders for them.

(2) The Methodist Church welcomes everyone, whether or not a member, who enquires about an intended marriage in any of its places of worship.

(7) A couple who seek to be married in Methodist premises which are not appropriately registered for the purpose shall be referred, if registration is required, to the persons responsible for the conduct of marriages at premises which are so registered, preferably in the same circuit. If the person receiving the request is not willing for reasons of conscience to make such a reference, he or she shall so inform the District Chair, who shall make the reference in that person's place.

(8) No minister, probationer or member may agree to conduct a same-sex wedding without first notifying the District Chair.

(9) The managing trustees or, if none, the trustees of any Methodist premises which are registered for the solemnisation of the marriage of same-sex couples shall ensure that the District Chair is notified of such registration.

~~(5)~~(10) The Methodist Church opposes discrimination on the basis of **sexuality**, gender or race. Accordingly, if a couple is seeking to be married in a Methodist place of worship no objection to the performance by a particular minister, probationer, **officer** or member of any duty in respect of their proposed marriage shall be entertained on such a ground. No minister, probationer, **officer** or member shall perform the relevant duty or duties in place of the other person concerned or otherwise assist the couple to make the objection effective.

7/14/4 The Conference adopted Resolutions 10/7 and 10/10.

7/14/5 **Memorials M33-M34**

7/17/1 The Conference adopted Resolutions 20/17 and 20/18.

7/17/2 **Notice of Motion 2019/206: Review of procedures following incidents of hate or unlawful discrimination**

The Conference notes the significant work that has been undertaken by the Equality, Diversity and Inclusion Committee. However, continuing reports of incidents of hate or unlawful discrimination within the Methodist Church show there is more work to be done and raise major concerns about the adequacy of our current arrangements for the protection and safeguarding of victims.

The Conference therefore directs the EDI Committee to undertake a review of connexional procedures and protocols, and Standing Orders, in liaison with the Law and Polity Committee and the Conference Officer for Legal and Constitutional Practice, in order to:

- ensure their effectiveness in protecting and supporting victims who experience discrimination and hate;
- ensure that churches and circuits are adequately protected and supported in taking measures to prevent the spread of incidents of hate or unlawful discrimination by particular individuals within their contexts.

In addition, the Conference directs the EDI Committee to provide:

1. for the collation and reporting of statistics at local Church, Circuit and District levels, on the number of incidents involving unlawful discrimination or hate;
2. recommendations for training and/or resources to meet needs within Circuits and Districts in regard to the management and resolution of incidents of unlawful discrimination or hate.

The Conference referred the Motion to the Methodist Council.

8/3/1 The Conference elected the following to serve on the Representative Session Business Committee at the Conferences of 2020-2022:

Mrs Caroline Stead

8/3/2 The Conference noted that there remains a vacancy for one minister to serve on the committee for 2020-2022, which the committee will fill in accordance with Standing Orders.

8/4 **REPORT FROM THE CONFERENCE BUSINESS COMMITTEE**

8/4/1 **Notice of Motion 2019/207: EDI Concerns in Stationing**

The Conference is grateful for the work that has been done on its behalf by the many people involved in the stationing process. It acknowledges the increasing challenges faced by the Committee in deploying the ministerial resources of the Church in the most effective way and the attempts that have been made to improve the system.

The Conference notes with extreme concern the implication given in paragraph 2.6 that appropriate monitoring and auditing of processes with regard to equality, diversity and inclusion commitments are currently not being done. Many members of the Conference are very aware of situations in current and previous connexional years where issues of race, gender identity, sexual orientation, disability, age or marital or family status have played a part in the failure to make a match. It recognises the immense pain and damage to vocation often done to individuals faced with such situations.

Whilst it is welcome news that monitoring is now on the Committee's agenda, the Conference directs that this issue be given top priority and that the Stationing Committee:

- a) establishes an EDI sub-committee to take forward this work, with membership including the Connexional EDI Adviser and at least one former President or Vice-President;
- b) seeks and records all feedback from individual ministers and Circuits where issues of exclusion or discrimination may have been factors in decisions reached;

- c) develops and implements audit tools, in consultation with the EDI Officer, whereby all processes and protocols involved in stationing are properly assessed for their compliance with the connexional EDI guidance and all relevant legislation;
- d) drafts and publishes guidelines for Stationing Matching Group, Stationing Advisory Group and Circuit Invitation Committees outlining the grounds by which matches and invitations can and cannot be refused in accordance with EDI policies, and provides appropriate training;
- e) liaises with the Law and Polity Committee to review guidance on complaints and reporting for those involved in the stationing process and where necessary designs appropriate interventions to ensure that discrimination can be tackled immediately once reported;
- f) establishes feedback and monitoring procedures that require Circuits, individual ministers and District Chairs or Lay Stationing reps to provide reasoned statements for decisions taken throughout the process;
- g) includes, from now on, a section on EDI in each report to the Conference detailing monitoring and progress to date.

8/4/2 The Conference declined the Motion but adopted as Resolution B/2:

The Conference resolves to refer the issues raised by Notice of Motion 207 to the Methodist Council for further consideration.

8/5 **FIRST REPORT OF THE CONFERENCE FINANCIAL COMMITTEE**

8/5/1 **Financial Consequences of Notices of Motion**

The committee notes that decisions relating to two Notices of Motion which have potential financial consequences have not yet been determined, in particular:

2019/201 – Review of the role of the Youth President. Budget implications include time, expense and support costs to the proposed task group. Such implications are unlikely to be significant but cannot be incorporated within the existing budget.

2019/202 – Reviewing Part 11 of Standing Orders. The work is likely to be significant and cannot be incorporated with the existing budget (whilst acknowledging potential medium-term savings).

The committee further notes the significant financial costs resulting from 2019/206 which has been referred to the Methodist Council.

It is not possible to evaluate fully the total costs of these pieces of work within the timescales of the Conference. The Conference is therefore asked to note that this additional work is likely to mean that the expenditure from the Methodist Church Fund will exceed the budget.

8/5/2 The Conference adopted as Resolution F/1:

The Conference receives the Report.

8/6 **18. METHODIST JOINT CONFIRMATION GUIDELINES**

The Conference adopted Resolutions 18/1, 18/2 and 18/3.

8/7 **20. METHODIST COUNCIL, PART 2, Section S**

8/7/1 The Conference adopted Resolutions 20/26 and 20/27.

8/7/2 **Memorial M54: Eco Church**

The Conference received Memorial M54 and adopted as its reply that recommended by the Memorials Committee, the Memorial and the reply appearing on p 70 of the Agenda Supplement.

8/7/3 **Memorial M55: Declaration of Climate Emergency**

The Conference received Memorial M55 and adopted as its reply that recommended by the Memorials Committee, the Memorial and the reply appearing on pp 71-72 of the Agenda Supplement,

replacing the first two sentences of the final paragraph of the reply with:

Faced with a climate emergency, the Conference joins with Pope Francis and the Anglican Communion in endorsing the call for urgent action.

8/7/4 **Notice of Motion 2019/204: Reducing the Use of Plastic**

The Conference encourages its members and churches to look always to reduce plastic pollution and to encourage them to use alternative sustainable products and resources that are already available. The Conference requests that the President and Vice-President are each supplied with a reusable water bottle to use during their year. The Conference encourages churches who have a café to consider signing up to the “refill” scheme, offering free refills for water bottles.

The Conference adopted the Motion.

8/8 **33. UPDATE ON HOUSING AND HOMELESSNESS WORK**

8/8/1 The Conference adopted Resolution 33/1,

p 339, paragraph 7, last sentence, after ‘housing associations’ *inserting*:

which the Methodist Council is satisfied has purposes that fulfil Standing Order 935(1)(i)

8/8/2 The Conference adopted Resolutions 33/2, 33/3 and 33/4.

8/9 **COMPLAINTS AND DISCIPLINARY PROCESSES**

8/9/1 **Memorials M28-M29**

The Conference received Memorials M28 and M29 and adopted as its reply that recommended by the Memorials Committee, the Memorials and the reply appearing on pp 36-37 of the Agenda Supplement,

deleting the second and final paragraphs of the reply and *adding* to the end of the reply:

In other cases, a complaint can be brought against an individual of the Church if they refuse to comply with recommendations following a risk assessment. It would then be for the local complaint officers to decide how best to proceed. The Standing Orders allow for the appropriate use of the power of suspension in Standing Order 013 if the necessary delay means that the risk is still to be addressed.

Nevertheless the Conference accepts that it may be possible to streamline the process and directs the Law and Polity Committee to consider the inclusion of

a provision for immediate referral to the Connexional Complaints Panel in such circumstances. The Conference also directs the Law and Polity Committee to review Standing Order 1120(4) and (5) and to consider making additional provision for a direct referral to the Connexional Complaints Panel where the complaint is about non-compliance with a direction under SO 232(2)(i).

The Conference accepts the memorial.

8/9/2 Notice of Motion 2019/202: Reviewing Part 11 of Standing Orders

In the light of the significant changes, both in UK society and for the Methodist Church of Great Britain since our Standing Orders regarding complaints and discipline were drawn up, the Conference directs the Methodist Council to set the terms of reference for, and facilitate the work of a thorough review of Part 11 of our Standing Orders. This review should include and address how processes of Safeguarding, Complaints and Discipline, and Connexional Team Grievances, can best relate to each other.

The Conference seeks a set of processes that are able to be enacted in timescales that are fair for all concerned and that are appropriate to the capacity, resources and size of the Methodist Church of Great Britain as it is today.

The Conference adopted the Motion.

8/10 Memorial M12: Substitute District Chair

The Conference received Memorial M12 and adopted as its reply that recommended by the Memorials Committee, the Memorial and the reply appearing on pp 14-15 of the Agenda Supplement,

replacing the last sentence of the draft reply with the following:

The Conference refers the memorial to the Methodist Council to consider, in consultation with the Law and Polity Committee, the policy issues raised and to report the Conference in 2020.

8/11 Memorial M4: Revision of guidelines in relation to Standing Order 955

The Conference received Memorial M4 and adopted as its reply that recommended by the Memorials Committee, the Memorial and the reply appearing on pp 5-6 of the Agenda Supplement,

deleting the second and third paragraphs of the reply,

replacing the last paragraph of the reply with the following:

The Conference therefore refers the memorial to the Methodist Council to consider the policy issues raised and, if appropriate, to consult the Law and Polity Committee on any amendments to Standing Orders.

8/12 Memorial M5: Amendment of Standing Order 931(5)(i)

The Conference received Memorial M5 and adopted as its reply that recommended by the Memorials Committee, the Memorial and the reply appearing on pp 6-7 of the Agenda Supplement,

replacing the second and third paragraphs of the reply with the following:

Given the current uncertainty as to aspects of the legal position, it would be premature to formulate the guidance which has been requested, but the Conference notes the significant practical difficulties facing churches in such circumstances and refers the memorial to the Methodist Council for further consideration of the issues raised.

8/13 **Notice of Motion 2019/201: Review of the role of Youth President**

The Conference notes the positive impact of the 2008 Youth Participation Strategy, especially the position of the Youth President. The Methodist Church, 3Generate and the Connexional Team have gone through an enormous amount of change in the past 11 years.

Recognising these changes, the Conference directs the Methodist Council to appoint a task group (to include at least 1 past Youth President, 1 past President or Vice-President of the Conference, 1 local youth worker, 1 former youth representative, 1 current youth representative and 2 other persons):

1. in consultation with 3Generate and former Youth Presidents to review the job description, person specification and other relevant aspects of the role of Methodist Youth President, and to present recommendations on how to develop the role for the next decade.
2. to report and bring recommendations to the Methodist Conference no later than 2021.

The Conference adopted the Motion.

8/14 **Notice of Motion 2019/203: Methodist Ministers' Pension Scheme (MMPS)**

It was reported at the Annual General Meeting of the Central Finance Board (CFB), held in London on 25th April 2019, that the Directors of the MMPS are proposing to begin removing a proportion of the funds under investment from the CFB and transfer them to external managers to invest into 'Liability Driven Investments' (LDIs), with an expectation that this will reduce their investment risk, but consequentially also reduce the long term total investment return (also see p324 of the Conference Agenda). Such a withdrawal will cause the costs incurred by the CFB to be spread across a smaller investment base and will likely lead to additional fees being charged to the Connexion as a whole.

The Conference established a Pension Reserve Fund in order to mitigate many of the risks involved in funding and administering the MMPS and this has been used, over the years, to help to reduce a historic funding deficit. This fund is anticipated to continue growing in the coming years to further mitigate fluctuations in the investment market.

The Conference opposes the decision of the Directors of the Methodist Ministers' Pension Scheme, and as employer seeks to retain the funds under the management of the CFB so that:

- a) it can be sure that all funds are ethically invested in accordance with advice from JACEI (Joint Advisory Committee on the Ethics of Investment);
- b) long term investment returns are maximised, within an appropriate investment strategy;
- c) costs to other parts of the Connexion do not increase unnecessarily and

- d) the Pension Reserve Fund can continue to be used for the purpose for which it has been designated.

The Conference adopted the Motion.

8/15 **Notice of Motion 2019/205: 'Lift the Ban - Give people seeking asylum the right to work'**

In light of the ex-President's pastoral address, the Conference affirms the Methodist Church's commitment to the 'Lift the Ban Campaign'.

Currently, people seeking sanctuary in the UK are effectively banned from working. As a result, many are left to live in poverty, struggling to support themselves and their families, whilst our country wastes the talents of thousands of people. The campaign urges the Government to grant asylum seekers the right to work.

The Conference requests that:

1. A letter be sent to the Home Secretary asking him to grant the right to work for people seeking asylum, and their adult dependents, after six months of having lodged an asylum claim or further submission. Their search for work should be unconstrained by the shortage occupation list.
2. Members of the Conference be invited to sign the 'Lift the Ban' postcard produced by JPIT, and that these be collected together before the end of the Conference and sent with the letter to the Home Secretary.

The Conference adopted the Motion.

8/16 **Notice of Motion 2019/208: Support for refugees**

There was a passionate and energetic presentation given by Onjali Rauf at the Methodist Schools fringe event of the Conference on Saturday evening, in her discussion with The Revd Michaela Youngson, where she graphically informed those attending of the realities of the plight of refugees in our world; the magnitude of the problem and the need for a caring response.

Her award-winning book 'The Boy at the Back of the Class' has been so well received, especially amongst young people, who have made moving and very practical responses to the needs of refugees.

The audience response was powerful, as our realisation of the need and wish to address this urgent matter was encouraged by hearing of the action of young children. The atmosphere and enthusiasm in the room developed palpably and in a quite inspiring way, stressing how such matters are best addressed by us working together, across ages, culture, faiths etc.

The suggestion was made that we should lobby our Members of Parliament and that the active collaboration with children should be a powerful aspect of our response.

So what is our story?

In the light of this, the Conference:

- a) affirms all who work to give support and relief to refugees

- b) celebrates the inspiration and tenacity of young people in our schools, churches and communities
- c) encourages Districts, Circuits and Churches to use 'The Boy at the Back of the Class' as a vehicle to liaise with schools in their locality and to create a group from church and school to request a face to face appointment with their local Member of Parliament to discuss the realities of these issues and to ask what their personal response is as to how our country can make a humane and compassionate response to this desperate, life threatening situation.

The Conference adopted the Motion.

Notice of Motion 2019/210: Mediterranean Hope

The coalition government in Italy has heralded a more difficult situation for refugees and migrants and those working on their behalf. The Minister of the Interior, Matteo Salvini, was elected on an anti-migration ticket. His "Close the Ports" policy (announced via Twitter and never formally enacted in law) has helped to choke the NGOs working on search and rescue in the Mediterranean Sea all but out of existence. The "Salvini Law", enacted in November 2018, has targeted the reception system, reducing the number of centres open to asylum seekers, and has seen the cancellation of "humanitarian protection" as a justification for staying in Italy. A further "Salvini Law", aimed at wiping out search and rescue, is currently under discussion. However, this backdrop has not weakened the resolve of Mediterranean Hope (www.mediterraneanhope.com), the Programme of Federazione delle Chiese Evangeliche in Italia working on behalf of refugees and migrants. (The Methodist churches in Italy (represented by OPCEMI) and the Waldensian churches play a significant role within the Federation generally and specifically in the Programme through our Mission Partner, Fiona Kendall.)

The humanitarian corridors project is very much alive. The original protocol with the Italian government was renewed for a further two years in November 2017 (and a second protocol is anticipated towards the end of this year). Mediterranean Hope are continuing to bring vulnerable migrants directly from Lebanon to Italy. The numbers involved are, relatively speaking, small, as are the security risks, given that intended participants are all screened well in advance of arrival. The cost to the government is nil, since participants are fully supported by faith-based communities on arrival.

A call to action has been issued by Mediterranean Hope to churches across Europe to support migrants in most urgent need, namely, those rescued at sea but shunned by member states, and those who might come to Europe via humanitarian corridors from Libya.

Several Methodist churches are already housing and supporting people under the Vulnerable Persons Resettlement Scheme as community sponsors and many more churches support asylum seekers, migrants and refugees in other ways. It is hoped that all churches will commit to work to have a culture in our churches that is welcoming, and to continue pressing the government to recognise its international and humanitarian obligations.

In the light of this, the Conference:

- (i) Stands in solidarity with and sends a message of support to the Methodist and Waldensian churches in Italy, Federazione delle Chiese Evangeliche in

Italia and Mediterranean Hope as they continue to live out our calling to welcome the stranger, in the midst of strong political opposition;

- (ii) Directs that a letter be sent by the President and Vice-President of the Conference to the Home Secretary welcoming the recent announcement of a successor for the Vulnerable Persons Resettlement Scheme post 2020 but requesting him to (1) agree a stable disembarkation mechanism for migrants who are rescued in the Mediterranean Sea and require to be relocated to other European countries from Italy and agree an additional quota for relocation to the UK and (2) join a coalition of willing European governments permitting humanitarian corridors to be opened to bring migrants safely to Europe directly from Libya;
- (iii) Encourages churches and circuits to consider how they might offer practical support and accommodation to migrants coming to the UK via VPRS and/or additional arrangements.

The Conference adopted the Motion.

8/18 Notice of Motion 2019/209: Sanctuary in Communities

The Conference commits itself to work alongside the Church of England on sanctuary in communities for young people affected by knife crime and gang culture and encourages Methodists to open up their churches and community facilities to offer 'safe sanctuary' spaces after school in their community.

The Conference adopted the Motion.

8/19 Notice of Motion 2019/214: Response to Action for Children Presentation

In response to the Action for Children presentation, the Conference encourages all Methodists to write to their local MPs to express their concerns about the ongoing plight of children in the UK.

The Conference adopted the Motion.

- 8/27/4 **ADDITIONAL SECTION U: Accounting Software M21 (2016)**
1. Memorial M21 to the 2016 Conference (shown below) requested the
development of accounting software for the use of churches and Circuits.
The Memorial was discussed at the District Treasurers' Practitioner Forum in
August 2016 and also briefly by the Finance Sub-committee of the Strategy
and Resources Committee (FSC). One of the outcomes was to consult with
the Accountancy Support Group about how this might be taken forward.
2. Having considered software requirements to serve local church, circuit and
district accounting activities, there is a variety of 'off the shelf' accountancy
packages available for such purposes. The Support Group is of the view that
using these accountancy packages could well serve churches, Circuits and
Districts and that developing bespoke packages either in-house or externally
is neither justified nor necessary. The Association of Church Accountants
and Treasurers (ACAT) website provides some suggestions of software that
are recommended for church use.

3. The aspect of the memorial where the Team is able to provide support is to provide pro forma accounts in an annotated format to help Treasurers know what belongs in the different accounting categories. This would be in a form that would allow treasurers to tailor the contents to their needs. The other point the Accountancy Support Group wishes to stress is that they now have experience of producing accounts under the new accounting rules, meaning that treasurers can use the previous year's format as a template, thereby making the overall process easier in subsequent years. Therefore, the Team will be able to provide support to Treasurers by producing a pro forma for the annual report including guidance notes for completing financial statements.
4. The Council agreed to this approach, noting the developments and rationale set out above, and recommends to the Conference that this is the further reply to the Memorial.

M21 (2016) Accounting Software

The South Molton and Ringsash (24/22) Circuit Meeting (Present: 39; Voting: 34 for, 3 against) asks the Conference to direct connexional officers to authorise the development of a computerised accounts program set on a base of Windows 7 and above and compatible with both the short and the long version of the Standard Form of Accounts for the use of churches and Circuits. The Circuit Meeting further asks officers to direct that the program be available as of 1 September 2017, and include the facility to produce the Standard Form of Accounts thereafter automatically, subject to updates available online through the Methodist website.

Reply

The Conference appreciates the time and commitment that is given across the Connexion by treasurers in order to ensure that annual accounts are prepared and presented in accordance with Charity Law, and thanks the South Molton and Ringsash Circuit Meeting for suggesting the provision of a program to assist in this.

The Conference does not believe that it is appropriate to initiate the development of accounting software, specifically for use within the Church, recognising the capacity and expertise that this would require and the wide diversity of practices already in use by treasurers across the Connexion.

However, the Conference agrees that adding the facility to produce and submit electronically both the short and long version of the Methodist Standard Form of Accounts would be useful. It directs the Methodist Council, therefore, to oversee an evaluation of the potential development of such a program, and if appropriate to initiate it. It recognises, however, that the deadline of 1 September 2017 is unlikely to be realistic. In addition to development time, which would include identifying a suitable supplier, it is vital that a selection of treasurers is able to provide input to both the design and implementation of the program to ensure that it is as user-friendly and effective as possible. Such work is also not included within the 2016/17 budget.

The Conference therefore directs the Methodist Council to oversee this work, with a target implementation date of 1 September 2018.

8/27/5 The Conference adopted as Resolution 20/29:

The Conference adopts paragraphs 1-3 above as its further reply to Memorial 21 (2016).

8/39 **ADDITIONAL AGENDA ITEM: 47. MANAGING TRUSTEES OF JOHN WESLEY'S CHAPEL, THE NEW ROOM, BRISTOL, AND 4-5 CHARLES STREET, BRISTOL**

8/39/1 The New Room has been through its first full year with the new visitor centre in the Horsefair Courtyard open and has seen a doubling of its visitor numbers to 50,000 per annum. We believe this increase strongly reinforces our focus on the New Room being a place of pilgrimage, worship, exploration, nourishment, community building and spiritual growth. We are also delighted to report that the weekly Friday lunchtime communion service continues to grow with a good number of regulars, and many of our international and domestic groups now schedule their visits in order to play an active part in the service which provides a highly valued spiritual experience to those who attend as they worship in the oldest Methodist building in the world.

The new facilities have been widely praised and received over a dozen awards including Gold for Small Attraction of the Year and Bronze for International Visitor Attraction of the Year in the Bristol, Bath & Somerset Tourism Awards. This led to the New Room being recognised further when it received the Bronze Award for Small Attraction of the Year for the whole of the south-west. These awards reflect the quality of the facilities now on offer including the state-of-the-art museum, library & archive, meeting rooms for education, training and external hire, a cafe within the atrium space, shop, office accommodation and modern toilet facilities, as well as the chapel itself. Charles Wesley's House at 4 Charles Street also saw some additional refurbishment as part of the overall project. The scale of activity both at and instigated from the New Room since last summer has been remarkable, and media interest continues to be keen, including regular features on the BBC and ITV as well as local media platforms, such as the Bristol Post and Made in Bristol TV.

Working partnerships with other organisations, such as the Bristol Record Office, the District and local Circuit, Wellspring Healthy Living Centre and Second Step, a mental health charity, are developing and our community choir and 'chat & craft' groups continue to attract new members. Our regular Folk at the New Room concerts also continue to prove popular with a number of sold out shows in the chapel over the past year.

The challenge now is to ensure that what has been achieved can be expanded and sustained beyond the point at which the ongoing financial support from Heritage Lottery Fund ends in December 2020. Grants have been sought from the church for the work delivered by the staff team and there will be applications made to external charities and grant making trusts to support these income streams. In addition, there will also be a relaunch of the Friends of the New Room plus a focus on bringing more international ambassadors on board. We have also recently

appointed our first patron, Michael Eavis, founder of the Glastonbury Festival, and this has already generated some very positive publicity with national media interest.

Currently, income from room hire and the shop continues to grow although we would like to see an increase in museum admissions which continues to face a degree of reluctance from some visitors due to the payment of a fee. Previously, the museum was free to visit but we believe the exceptional quality that visitors now experience in the award-winning museum justifies the application of a fee. We are delighted to confirm that many of those who have visited have been extremely complimentary and we've received much positive feedback on its content and layout. The cafe has established itself as a delightful space in which to relax and appreciate this 'oasis' in the middle of Bristol Shopping Quarter which promotes Fairtrade products and developed a well-deserved reputation for its food and drink offer along with great customer service. Income streams have increased substantially since we first opened, and we are seeking to run more events with in-house catering.

The current New Room staff team are funded in the following ways:

Director (full time) – Connexion: David Worthington

Education Officer (full time) - 50% HLF and 50% Bristol District: Mandy Briggs

Collections Manager & Community Engagement Officer (full-time) – HLF: Kate Rogers

Operations Manager - (full time) – HLF: Louise Wratten

Assistant Manager (part time) - Heritage Lottery Fund (HLF): Elizabeth Worthington

Cafe Manager (full time) - New Room: Ewa Kozdeba

Assistant Cafe Manager (full time) - New Room: Niamh Archbold

New volunteers continue to be recruited: a significant number of overseas students among them. They all undergo a training programme which includes safeguarding training and input about the Wesleys and Methodism. Work with schools is expanding and brings in a modest income as well as raising awareness with teachers and pupils about Wesley, Methodism and other issues such as slavery and abolition in Bristol. The New Room enjoys a positive relationship with the South West Learning Network and often hosts events with them, especially book launches and talks.

8/41 **ADDITIONAL AGENDA ITEM 49. RELIEF AND EXTENSION FUND FOR METHODISM IN SCOTLAND**

8/41/1

Contact name	Edward A L Wallace General Secretary and non-official trustee
Resolutions	49/1. The Conference receives the Report 49/2. The Conference approves the actions proposed in paragraph 6.4 of the Report.

1. Legal

- 1.1 The fund is governed by a Deed of Trust registered in the books of the Lords and Council and Session at Edinburgh on 4 November 1869. The Deed narrates resolutions of the Conference of 1869 as to the raising, administration and purposes of the Fund. (See Standing Order 476 for further information.)

The purposes of the said Relief and Extension Fund for Methodism in Scotland should be as follows:

- (1) The liquidation of debts yet remaining on Methodist churches, chapels or manses in Scotland or debts that may yet be contracted with the sanction of the connexional property committee,
- (2) The purchase or erection of new or additional places of worship and of sites for such objects, and
- (3) The acquisition of manses or investment of money to meet house rents thus making provision for the residences of ordained ministers where at present only probationers are stationed and from time to time in other places as occasion may arise.

2. Administration

- 2.1 The means of Aid is by way of Grants and/or interest free loans but no funds can be allocated unless the Project requires approval under the Methodist Church Property Consents Procedure, sanctioned and approved by the District Consents Panel and, where appropriate, the Connexional Conservation Officer. Where a grant has been made it remains refundable if the property is subsequently sold.
- 2.2 The present Trustees are:
OFFICIAL: The Revd Dr David P Easton – Synod Chair; the Revd Dr Helen E Jenkins – Presbyteral Synod Secretary; the Revd Allan Y Loudon – District Ministerial Property Secretary and the Revd Nicholas B Baker – District Home Mission.
NON-OFFICIAL: Dr Alan J Hayes; Mr David A Easson; Mr Edward A L Wallace (General Secretary and Treasurer); and Miss Maureen G Anderson.

The General Committee consists of the Trustees, General Treasurer, the District Lay Property Secretary – Mr Phillip A Haggis, the superintendent ministers of every Circuit and Mrs Margaret Brown, Mrs Jenny Easson and Mr Peter Mills as the present Synod nominated lay members.

3. Financial

- 3.1 The incoming resources of the Fund for the year ended 31 December 2018 was £35,746 (2017 £38,012). The decrease over the previous year was mainly due to lower grant repayments from the proceeds of sale of grant aided properties.
- 3.2 The net of incoming resources for the year after deducting grants paid and expenses was an increase of £14,427 (2017 £32,802).
- 3.3 During the year no new applications for Aid were considered by the General Committee.
- 3.4 Grants previously approved paid out totalling £14,794 (2017 £1,911).
- 3.5 Grants approved and paid out this year totalled £nil (2017 £1,404).
- 3.6 Loans previously approved paid out totalling £5,932 (2017 £637).
- 3.7 Loans approved and paid out this year totalled £nil (2017 £468).
- 3.8 The General Fund balance at 31 December 2017 (£12,168.26) was allocated to the Grants Fund as noted by Synod and consented to by the 2018 Conference.
