Let's celebrate God's goodness
at his table of grace and mercy

- ▶ Explore the Presidential theme from a global Church perspective
- ▶ Suitable for worship throughout 2021/2022
- ▶ Flexible ideas relevant for different types of services

For their presidential year 2021/2022, the President the Revd Sonia Hicks and Vice-President Barbara Easton have chosen the theme of God's Table: an Invitation for All.

“Through these worship resources, we celebrate belonging to the family of God which spans the globe. As we learn from one another and pray for the worldwide Methodist family, may we be inspired by the different understandings of mission and cherish the fact that we are all called, and all invited, to God's table of grace and mercy.”
