

NEW STUDENTS – MAKING CONTACT

For new students:

Linking up with your chaplaincy puts you in touch with other students even before you arrive at university. All university chaplaincies have a website with information about student groups and there is usually a Facebook group or other online community. The National Methodist Students Facebook group links Methodist students across universities:

<https://www.facebook.com/groups/nationalmethodiststudents/>

For local churches and ministers:

If young people from your church family are going to university this autumn, please encourage them to be in touch with the chaplaincy. Chaplains are always keen to hear from new students *before* they arrive at University, so early contact is welcomed. Mobile phone numbers and email addresses are usually the best way to be in touch with students, but a term time address is also very useful. If you are passing on contact details on behalf of a new student please make certain that you have their permission to do so.

Chaplaincy Contacts:

This list has been compiled from information provided to the Methodist Church, from the chaplains, our Ecumenical Partners and the Universities. We have tried to give at least one contact for each university. Where there is no Methodist Chaplain at an institution an alternative contact is provided.

The chaplaincy contact list is also available on the Methodist Church website:

<http://www.methodist.org.uk/educationchaplains>

Information on Methodist Chaplains at Universities across the UK can also be found at the Methodist HE Chaplains Group's Facebook page:

<https://www.facebook.com/MethUniChaplaincy/>

Contact details for university chaplains in the Methodist Church in Ireland is available here:

<https://www.irishmethodist.org/university-chaplains>

If you can help us keep the information up to date, please contact The Methodist Church, 25 Marylebone Road, London, NW1 5JR, Tel: 020 7467 5137, Email: hechaplains@methodistchurch.org.uk
