SAFEGUARDING

Creating Safer Space

Foundation Module Refresher

2016 Edition

What?

A safeguarding training session for all adults, both volunteer and paid, working in different roles in the Methodist Church.

The Methodist Church has developed refresher safeguarding training for those undertaking various roles and responsibilities in the Methodist Church, who completed the Foundation Module between 2011 and 2016.

The session is run in a friendly, relaxed style and has been appreciated by those who have already attended.

The *Creating Safer Space Foundation Module Refresher 2016 Edition* training aims to:

- remind you that safeguarding is everyone's responsibility and integral to being church
- refresh your understanding of good safeguarding practice within the Methodist Church
- learn from the Past Cases Review and note the current national context
- identify how to tackle potential obstacles to responding well within the Church
- reflect on your responsibility for sharing concerns about a child or vulnerable adult
- recognise emerging forms of abuse
- consider the needs of survivors.

So that the training meets everyone's needs, we ask you to:

- listen without interrupting
- respect the feelings, experiences and views of other people
- listen to different views and question in a constructive way that enables learning
- respect confidentiality unless it puts others at risk
- take responsibility for your own learning and share, as well as receive learning
- be aware of the potential impact of the subject on yourself and others.
