28 October 2015, Pyongyang, Democratic People's Republic of Korea

2015 년 10 월 23-30 일, 북한 평양

Pursue righteousness, faith, love and peace. (2 Timothy 2:22)

공의, 믿음, 사랑과 평화를 구하라 (디모데 후서 2 장 22 절)

Members and invitees of the Steering Group of the Ecumenical Forum for Peace, Reunification and Development Cooperation on the Korean Peninsula (EFK) convened by the World Council of Churches (WCC) met on 28 October 2015 in Pyongyang, Democratic People's Republic of Korea, in the context of a visit by the EFK delegation to the DPRK during 23-30 October 2015, graciously hosted by the Korean Christian Federation (KCF). 한반도 평화와 통일, 발전협력 에큐메니칼 포럼 운영위원회 (EFK) 위원들과 초청 인사들은 세계교회협의회 (WCC)의 주선과 조선그리스도교연맹 (KCF)의 초청으로 2015 년 10 월 23 일부터 30 일까지 평양에서 방문 일정을 포함한 운영위원회 모임을 개최하였다.

The EFK visit takes place during the 70th anniversary of Korean liberation from Japanese occupation, but also of the division of the Korean peninsula into north and south – a division which tragically persists and provokes severe threats to peace and human security in the region to this day.

금번 EFK 방문은 일본지배로부터의 광복 70 년과 동시에 이 지역의 평화와 인간 안보에 심대한 위협이 되고 있는 남북분단 70 주년의 해에 진행되었다.

The EFK Steering Group met on 28 October 2015 under the theme "Current Situation and Future Direction of Ecumenical Church Activities for Peace and Reunification on the Korean Peninsula". Participants included representatives of the WCC, KCF, National Council of Churches in Korea (NCCK), and of churches and related organizations from the UK, USA, Germany and Canada.

EFK 운영위원회는 "한반도 평화와 통일을 향한 에큐메니칼 교회들의 실천을 위한 현재 상황과 향후 방향"이라는 주제로 10 월 28 일 모임을 개최했다. WCC, KCF, 한국기독교교회협의회 (NCCK)와 영국, 미국, 독일과 캐나다의 교회들과 관련 기구들이 참가하였다.

This visit and meeting follows the long history of international ecumenical accompaniment of the churches of North and South Korea, in particular through the WCC, and we reaffirm all ecumenical policy positions issued in this process, especially the WCC 10th Assembly Statement on Peace and Reunification on the Korean Peninsula (adopted on 8 November 2013) and the communique issued by the WCC's International Consultation on Justice, Peace and Reconciliation on the Korean Peninsula (held in Bossey, Switzerland, on 17-19 June 2014).

방문과 운영회의는 국제 에큐메니칼 공동체들, 특히 WCC가 남북교회들과 함께 한 긴 역사의 맥을 따르면서 에큐메니칼 정책과 입장들, 특별히 한반도 평화와 통일에 대한 WCC 10차 총회 성명(2013년 11월 8일 채택)과 한반도 정의, 평화, 화해를 위한 국제협의회(2014년 6월 17-19일, 스위스 보세이) 커뮤니케에 대한 지지를 다시 한번 확인하였다.

The Pyongyang meeting is the first occasion on which an ecumenical gathering has been convened on the peninsula itself involving North and South Koreans as well as international participants focusing on peace and reconciliation on the Korean peninsula.

이번 모임은 한반도에서 개최되면서 세계 각국의 참석자들이 남북의 평화와 화해에 초점을 맞춘 최초의 EFK 모임이다.

During its visit to the DPRK, the members of the EFK delegation witnessed a society that is visibly advancing, demonstrating great resilience and self-reliance despite the longstanding and recently strengthened international sanctions.

이번 방문을 통하여 EFK 위원들은 장기간의 그리고 최근 강화된 국제 제재에도 불구하고 생기 넘치며 자립적 사회를 지향하는 눈에 띄는 발전을 이루고 있음을 목격하였다.

In visiting the DPRK during this important anniversary year, the EFK delegation sought to deepen their understanding of current realities on the Korean peninsula, to acknowledge the continuing unresolved tragedy of the division of the Korean people, and to strengthen international ecumenical solidarity with Korean Christian sisters and brothers – from north and south – as well as with all people who seek peace, reunification and reconciliation on the Korean peninsula.

역사적인 해에 EFK의 북한 방문의 목적은 한반도의 현실을 보다 깊게 이해하며, 해결되지 않은 채 지속되는 한민족의 분단의 비극을 인식하고 한반도의 평화와 통일, 화해를 이루고자 노력하는 남북의 기독교인들을 포함한 세계의 모든 이들과 굳건한 국제적 에큐메니칼 연대를 다지기 위함이다.

During August this year escalating tensions risked spiralling out of control, until high-level dialogue initiated by the DPRK government succeeded in reducing those tensions. We express our appreciation for the efforts of both governments in this regard, including the resumption of separated family reunion meetings which have

been ongoing during the period of our visit. However, political confrontation and threats aimed at the DPRK undo the good done through dialogue, and risk closing the door to further dialogue at a time when it is needed most. As the WCC general secretary observed during the period of heightened tensions in August, “Provocation does not offer a path to peace.” 올 8 월 극적인 긴장 관계는 북한의 제안으로 대화가 성사되어 긴장완화의 단계로 접어들었다.

Among other threats to peace and stability in the region, we note with concern the recent reinterpretation of article 9 of the Japanese Constitution and the amendments to the security related bills, allowing for external military action by the armed forces of Japan under the “right of collective self defence”. The fact that intervention in the DPRK had been explicitly cited as a scenario in which this reinterpretation could be invoked exacerbates the latent tensions in the region.

We, as participants in the Pyongyang meeting of the EFK Steering group, issue this appeal to all churches, church-related organizations and people of good will around the world, calling for renewed and strengthened solidarity, advocacy and action for the following purposes:

- Full implementation of the June 15 Joint Declaration and the October 4 Declaration, adopted at the North-South summits held in June 2000 and October 2007 respectively.
- An end to all joint military exercises in the vicinity of the Korean peninsula directed against the DPRK, provocative demonstrations of armed force, and political confrontation and threats, which risk increasing tensions and destabilizing the delicate situation on the Korean peninsula.
- Lifting the economic sanctions against the DPRK which succeed only in harming the most vulnerable, and contribute to maintaining tensions on the Korean peninsula.
- Resisting the confrontational misuse of human rights; ending the antagonistic leaflet campaign against the DPRK; avoiding the promotion of enemy images; eliminating all obstacles to the objective of peace and reconciliation; and seeking the realization of human rights through the promotion of peace and reconciliation.
- The replacement of the current Armistice Agreement of 1953 with a peace treaty.
- Respectful, patient and persistent dialogue between the two Koreas, with the objectives of mutual recognition, peaceful co-existence, reunification and reconciliation.
- Promoting exchanges and encounters between North and South Koreans, and mutual visits by members of the international Christian community and Christians in the DPRK, emphasizing the involvement of young people in such exchanges and visits, in particular young people from both North and South Korea.
- Strengthening the relationship between the KCF and the NCKK with the churches of South Korea, and with the Korean Christian diaspora around the world.

For he is our peace; in his flesh he has made both groups into one and has broken down the dividing wall, that is, the hostility between us. (Ephesians 2:14)
